*In Memory
All Men Must Die
But Their Names Never Will*

Ronnie Stephenson

The High School pages of the 1975-1976 Eagle Eye have been prepared in the memory of Ronnie Stephenson. Ronnie, a senior at F.H.S., was well liked by all and showed outstanding sportsmanship. His achievements and academic awards were only a part of the love he showed for his school. His name will never die in the hearts of his friends.

John Perona

The Junior High School pages of the 1975-1976 Eagle Eye have been prepared in the memory of John Perona, an eighth grader of Fairfield Junior High. This young man is remembered through his fine athletics, his leadership and his trying ability, but most of all the happy, laughing spirit of John will live forever in the hearts of his schoolmates.

A vintage car, possibly a 1920s or 30s model, is parked on a grassy lawn. In the background, a two-story brick house with multiple windows is visible. The scene is captured in a sepia-toned photograph, giving it a nostalgic feel.

Foreword

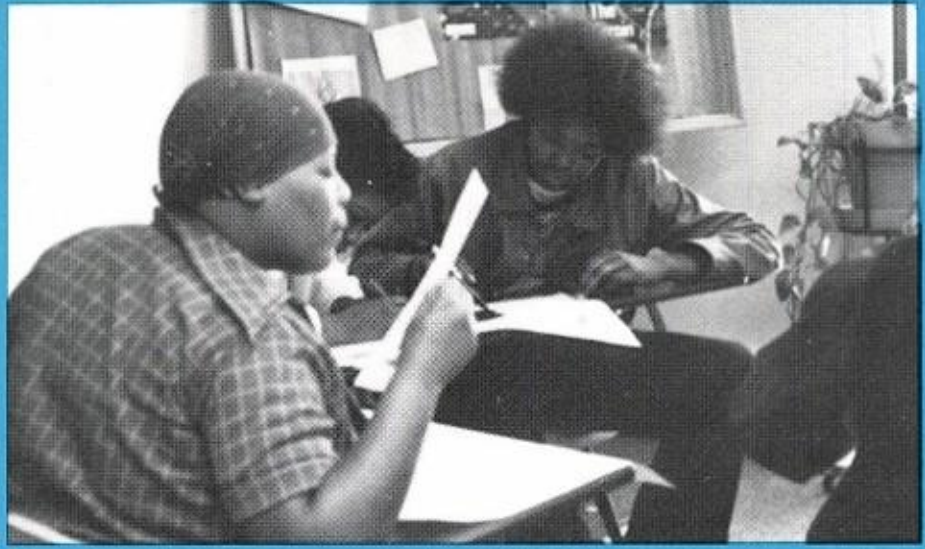

The Freshmen stood in long lines for schedule changes, searched for classes minutes after the tardy bell had rung.

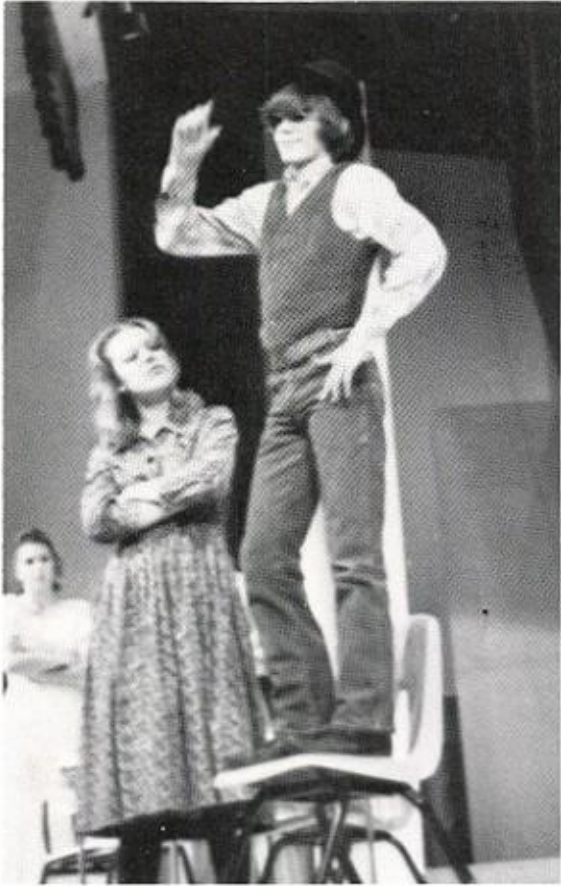

The Sophomores felt a little more secure. Many of them passed their drivers test and started spending Friday and Saturday nights out after long hours of effort at school and at work.

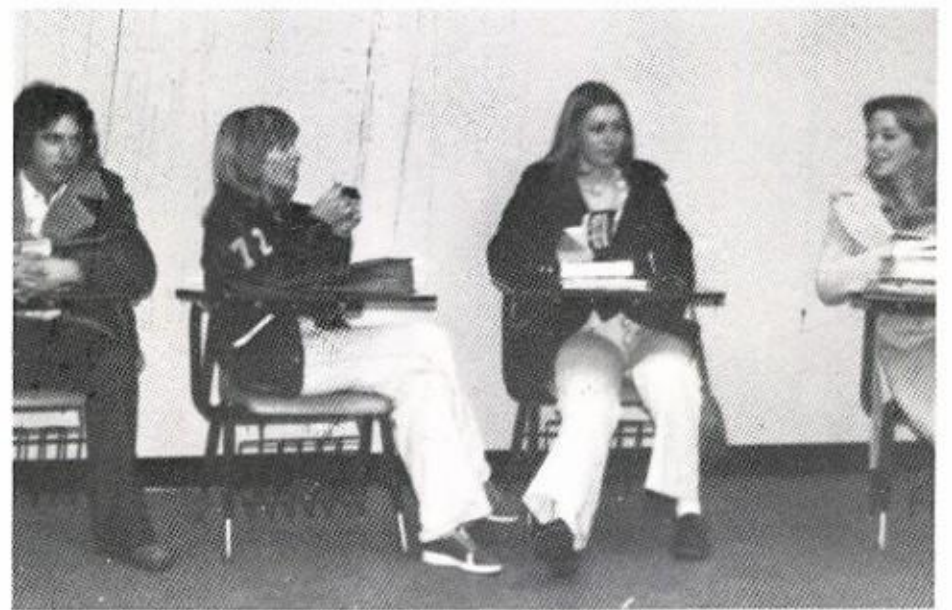

Juniors gained experience and responsibility through their jobs in the community. They spent long hard hours taking notes, reviewing and studying for tests that were dreaded days in advance.

The Seniors gained the security and the respect they had worked for in their four years at Fairfield High School. Graduation was the event looked forward to with joy in anticipating freedom, yet sadness in leaving friends and memories behind.

The sights and sounds of our school days are silent but our cherished memories will never die. Our memories, hard work and good times are captured in the following pages of this Eagle Eye.

Kenny,

I really don't know what to say! You're a special person to me. I can remember so many times when I wanted to give up but you were always there to pick me up. I guess, maybe someday we'll find somebody who will do us right & not just use us. We have had a lot of good times that I'll never forget. Remember Sugar Hill & you chasing the deer in the "little red Toyota"? Those were good times. I guess it all changes the older you get. Well, Jack ole buddy, we've had fun & we'll probably have more but you be cool & hold your head up!

Love ya,
Panda

P.S. Sorry, I
got so sentimental!
